

Enviro Tie

Plant Support / Plant Ties

- 100% biodegradable cotton
- Extra soft
- Knitted fabric for strength

THE NATURAL ALTERNATIVE

Whites Enviro Tie is a soft and gentle plant tie for all occasions. Easy to use and handle, this 100% biodegradable cotton has strong knitted weave fabric, which offers excellent strength to secure all types of plants and shrubs in your garden with a minimum fuss. Extra soft, it's ideal for use as tomato ties. Also great for bundling and tying around the home, shed or for council clean ups.

Made in Australia from Australian cotton.
