### STRONG AND DURABLE SUPPORT FOR PLANTS

Whites Garden Stakes provide strong support for growing plants and trees. Designed with ribbed sides to help keep ties in place, these stakes are also sealed at the tips to ensure they are easy to drive into most garden soils. They feature a sturdy steel core with a durable pvc coating for superior strength in outdoor conditions.

Available in packs of 6, there are 3 lengths: 900mm, 1200mm and 1500mm.
