

Greenhouse Grow Cones

Outdoor Essentials / Pest Deterrents

- Acts as a greenhouse for faster growing
- Protects against snails and birds
- Shields from rain and frost

GROW SEEDLINGS FASTER

Whites Greenhouse Grow Cones provide ideal growing conditions for seeds, seedlings and cuttings. Shields against rain and frost damage, while the top opening allows for easy watering. Offers protection from pests such as birds, slugs, and snails.

Easily installs in seconds. Secure with Whites [Tent Pegs](#) or [Turf Pegs](#).
