

Heavy Duty Tarpaulins

Outdoor Essentials / Tarpaulins

- High-density UV resistant polyethylene weave
- Tear-resistant and water-resistant triple-layer protection
- Reinforced poly rope hem and plastic corners

ROBUST, STRONG AND DURABLE | 205G/M²

Whites Heavy Duty Tarpaulins feature a superior quality 205g/m². These tarpaulins have a high-density UV resistant polyethylene weave (14x14). The silver top sheet reflects heat and deflects UV rays; the black under sheet can be used to absorb heat and also deflect UV rays.

Rustproof eyelets at nominal 90cm intervals ensure dependable tiedown. These tarpaulins are tear-resistant and provide water-resistant triple-layer protection.

Not suitable as a car cover.

Code	Product Description	Size
75627	Heavy Duty Tarp - 6x8	1.7 x 2.3m
