

Mesh & Netting Fence Anchors 20pk

Outdoor Essentials / Landscaper's Materials

- Ground anchor for mesh & netting
- Protect plants from small animals
- Galvanised wire
- Quick and easy to install

FOR SECURING NETTING TO LINE WIRES

Whites Mesh & Netting Fence Anchors are designed to hold down mesh and netting at ground level.

They are designed to provide additional protection from animals digging and pushing up garden borders and fencing.
