

Post Driver

Hobby Farm / Tools & Accessories

- Heavy steel construction
- Weighted and reinforced steel head
- Large welded handles
- Minimises damage to tops of fence posts

FOR MANUAL POST PLACEMENT

Whites Post Driver provides an easy way to drive steel posts into the ground. The heavy weight of the driver means the user only needs to lift the driver over the post and let the weight of the driver do the work.

Code	Product Description	Size
12201	Steel Post Driver	80cm
