

Screw-in Ring Latch

Fencing Solutions / Gates & Fittings

- Gate Latch set - for locking gates
- Suits large & small gates
- 12mm latch & catch, with chain

RING LATCH AND CATCH

Whites Screw-in Ring Latch is a traditional and convenient way to lock large and small gates. Simply thread the chain through the gate and place the ring latch pin around the catch to secure.

Featuring a screw-in 12mm latch and catch with chain. Also available in [Drop Latch style](#).
