

StayMesh Ultra Gutter Protection / Gutter Strip Systems

- Install in seconds
- Pre-formed 1m gutter strip
- UV stabilised for long life
- Fits most gutters

ULTRA FAST, ULTRA EASY

Whites StayMesh Utra Gutter strips are the fastest and easiest way to keep leaves and debris out of your gutter. The unique, pre-formed one metre lengths take just seconds to install and subsequent lengths just slot into place. No hardware, no tools required.

Proudly Australian Designed - Australian Design Registered.

| Code | Product Description | Roll Size |
|-------|-----------------------------------|-----------|
| 20006 | Staymesh Ultra Gutter Strip | 1m |
| 20007 | Staymesh Ultra Gutter Strip - 5pc | 1m |

Handy Hints

• In locations with a high risk of bushfire we recommend the installation of <u>Whites StayMesh Ultra</u> <u>Aluminium</u> or <u>Whites Stainless Steel Ember Mesh</u>
